# Talmadge Block Party Community Projects Committee  (CPC)

The Talmadge Block Party is an entirely voluntary and non-profit event, based solely on the contribution of time, effort and money of many of our neighbors.

Each year, our sponsors, donors and fundraising contributions allow us to host this community event.

The Block Party is self-supporting and a portion of surplus revenues are donated to community cause/programs that affect the greater Talmadge Community.

The purpose of the Talmadge Block Party CPC is to coordinate, research, review and recommend applicant organization(s)/project(s) that are deserving of TBP surplus funds.

The Talmadge Block Party supports charities, non-profit organizations and volunteering activities that serve, strengthen and enhance quality of life for the Talmadge community.

When the greater community thrives,Talmadge benefits in the long-term.

Priority areas for funding include:
   •    Educational opportunities
   •    Crime prevention and safety
   •    Youth programs

If your organization has a project or program that is in need of funds, please fill out the form on the following page and submit in to the CPC.
